Letter from E.M.Gawne Esquire, I.C.S., Collector of South Kanara, R.O.C.No.9112/26-A.6, dated the 23rd April 192

They measure 19.97 acres as shown in the margin and have been applied for on darkhast by the - Administrator Apostolic of the Diocese of Mangalore who holds the adjoing kadim lands S.Nos.71/1 2,4 to 7 and 76/1 & 3 which are underlined in re They form kumaki to the kadim lands of the applicant with the exception of 1-75 acres and have been enclosed by old walls and fences with the exception of S.Nos.191/5 and 193/3. do not contain any other improvements except a paddy field of 15 cents in extent valued at Rupee one and are required by the applicant for the cultivation of his kadim lands and for extending cultivation where possible.

2. My predecessor inspected the plots on 29th January 1927 and has stated in his notes of inspection that as the church authorities and the applicant hold so much land in the immediate neighbourhood, it would be doubtful whether any Depressed classes settlement not controlled by the church authorities could be located usefully on the plots and that the assignment of the plots to the applicant should be recommended.

3. I therefore recommend that sanction of Government may be obtained for the assignment of the plots in favour of the applicant, the Administrator Apostolic of the Diocese of Mangalore. The diocese is a registered body and owns in Beltangadi village 20.61 acres of wet and 22.46 acres of dry land. The total extent of land held by it in the District is given in the margin.*

4. All the darkhast formalities have been observed in this case.
